Perkbox insights

An engagement survey tool for all employees to give us confidential feedback via your personal email linked to Perkbox.

The Insights survey asks a variety of questions around 10 key drivers of employee engagement. Together we will use the results to take action on areas for improvement in order to progressively build a 'great place to work'.

vision, mission and values

At Sleeperz our **mission** is to create stylish, distinctive lifestyle hotels in emerging central locations, offering great value friendly hospitality; but we want to do much more than that.

That's why we created our **vision: *changing places, enriching lives*** to contribute and enhance the local area and environment, positively contributing to the lives of our employees, guests and stakeholders.

Fundamental to our mission and vision are our core business **values** which help shape our behaviour:

progressive

- We seek out new ways to do things to continuously improve the products and service we provide to our guests.
- We are inspired by new trends, new ideas and great design.
- We learn from each other, our partners and industry experts.

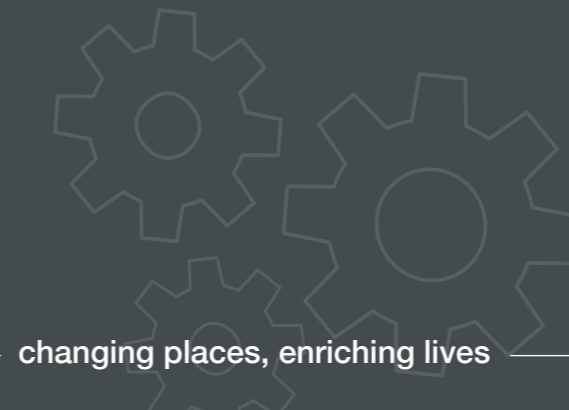

delivering on promises

- We pride ourselves on delivering consistently against our commitments to our guests, our partners, stakeholders and each other.
- We focus on the details, we measure what we do, and we hold ourselves and each other accountable.
- Our integrity ensures that we do the right thing. We do not compromise on safety and security.

changing places, enriching lives

teamworking

- We respect, trust and support each other and appreciate how each role fits into delivering our mission, vision and values.
- We value personal commitments to friends, families and hobbies.
- We seek out feedback and work together to find the best solutions. Once made, we are united behind them.
- We empower individuals to make decisions to 'manage the moment'.

changing places, enriching lives

positive mindset

- We believe that a positive mindset enables us to solve problems quickly, effectively and creatively.
- Our enthusiasm gives us creativity, energy and pace.
- We celebrate our success together which helps us grow.

Our mission, vision and values are at the centre of all we do, it crystallises our culture, creates our differentiation, and by doing so enables us to grow and deliver value.
